About Us

MCC Healthcare Services, Inc. is dedicated to providing comprehensive high-quality patient care at the patient's place of residence or in the non-acute care setting. By aiming to address the patient's unique physiological and safety needs in the plan of care, we are able to help the patient and the patient's family, maximize his/her potential level of independence.

MCC Healthcare Services, Inc. focuses on the patient, the patient's family and physician's satisfaction to our service. Their satisfaction requires a cost-effective approach to care and constant encouragement for the patient and the patient's family to participate in the plan of care.

By serving as a resource for the patient, patient's family and the community, MCC Healthcare Services, Inc. is able to provide health care education for the patient, patient's family and to promote "wellness" in the community.
